Wake to Ocean Whispers, Sleep Under Starlit Skies. Imagine morning coffee on sun-warmed redwood decks as Pacific waves shimmer beyond walls of glass. This Highlands sanctuary above Stinson Beach transforms everyday moments into pure magic. Sessions in the sauna that melt stress away, poolside dinners where laughter echoes under towering pines, and stargazing from rejuvenating hot tubs. The detached cabin offers endless possibilities: an art studio, office sanctuary, or creative retreat, while you effortlessly host in the gourmet kitchen's Viking range embrace. Three bedrooms become personal havens, each with ocean or mountain views that shift like living paintings throughout the day. Just a 10-minute walk to the beach for sand between your toes, yet completely private behind gates where fruit trees perfume the air and redwoods whisper ancient secrets. The elevator-accessible in-law suite means multi-generational memories, while renovated decks stretch your living space into nature's cathedral. This isn't just a home, it's where your soul exhales, where every sunset becomes a celebration, and where the rhythm of waves becomes your daily soundtrack.
