Pacific Heights, San Francisco, CA

Award-Winning Design! Chic contemporary renovated 4BD/4.5BA home in a coveted Pacific Heights location with a tranquil garden view from every level and Golden Gate/Bay and Alcatraz views from the pent room. Rarely does a home come to market with such meticulous attention to detail and high-level design actualization. The home's transformation is the result of a down to the studs' renovation which was completed in 2012. Luxury finishes throughout are harmonious with a tranquil palette. Indoors blend into outdoors in a rhythmic repetition of honed limestone tile in the baths, decks and patios. A seamless exposition is expressed throughout the home with European white oak, rift-cut wooden floors, reveals without casings around doors, Carrera marble finishes, Dornbracht fixtures, and designer lighting. 2-car gar. This home is exquisite!
