Award-winning architect Hulett Jones of Jones|Haydu & Sawyers Design deliver a New York Times featured masterpiece where architecture meets desire & stops you cold. This isn't renovation it's architectural seduction. The exterior Victorian silhouette honors neighborhood heritage while inside pure design intelligence awaits. Hand-cut radial cedar slats & standing seam metal offer unapologetically modern materials & textures. Every sightline calculated & material chosen w/ desire. The main level is both flamboyant & dramatic vaulted ceilings & flush LED lighting & thoughtful: custom shelving & cabinetry precisely placed around the quartzite kitchen island to support workflow from planning to cooking to entertaining. Bosch/Miele/Liebherr appliances & hammered copper sink. Floor-to-ceiling glass dissolves boundaries revealing skyline & Twin Peaks views. The primary suite is the top floor: wraparound windows, walk-in everything, bathroom that's pure theater: steam shower, floating MTI tub, Calacatta marble that beckons. Lower level? Your secret superpower. Separate entrance, open-plan layout, bedroom suite perfect for guests, income generation, or creative pursuits. Four outdoor spaces blend w/ interiors. Published internationally because brilliance demands attention.
