BOM, no fault of the property. This classic corner mansion, known as Jackson Court, circa 1902, exudes the grandeur of a bygone era. Bring your contractors and architects. Recently used for time-share ownership with its ten bedrooms and eleven bathrooms, this stately property is now ready for its next owner to use their vision to transform this magnificent three-level residence into their next home. The handsome exterior belies the understated elegance inside. The arched entrance leads to the courtyard and the front door. Another smaller sitting room with beautiful paneled walls & built-ins, along with the spacious period living & dining rooms (currently bedrooms) & past kitchen complete the main level. There is direct access to the outdoor patio situated over the two-car garage. Ascending the impressive staircase to the large landing, one finds four additional en-suite bedrooms & a breakfast room on the second floor, plus another four en-suite bedrooms on the top level.
