Experience modern luxury in this fully reimagined residence with italianesque design and excellent craftsmanship to meet the very best of today's living. The main house has 4 bedrooms and 4.5 baths and the new ADU is a separate private residence with its own bath and kitchen. What truly sets this property apart is its rare combination of amenities: a beautifully landscaped backyard ideal for entertaining, a sleek ADU perfect for guests or extended family, and a private garage - three highly desirable features that seldom come together in one home in Burlingame. The open floor plan is filled with natural light and showcases italianesque style designer and custom finishes at every corner. From wide-plank hardwood floors, custom fireplaces to designer fixtures and energy-efficient systems, the home blends the latest high-end materials with sustainable choices, both inside and outside, designed for longevity and everyday comfort. The kitchen is a showpiece entirely custom, with premium appliances, a generous island for gathering, and a fully built out butler's pantry that combines practicality with style.
