\$998,000

2 Bedroom, 3.00 Bathroom, 1,390 sqft

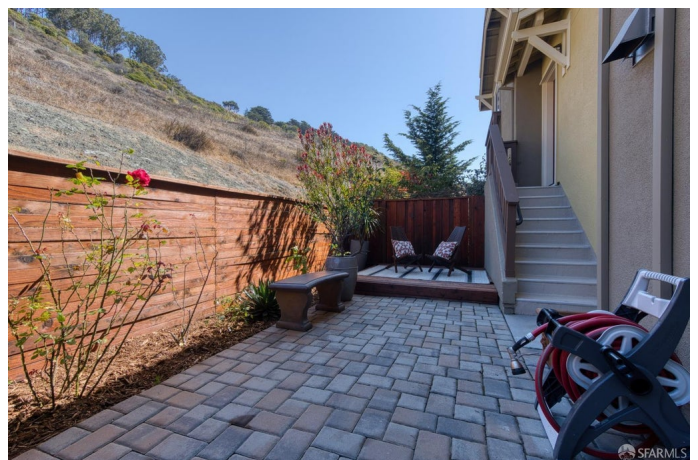

Residential on 0.20 Acres

Candlestick Point, San Francisco, CA

Finally a home in San Francisco where you wake up to sun instead of fog. This unit sits in one of the best positions in Candlestick Cove with more privacy than others and low foot traffic. It has been owned by only one owner + received major elegant upgrades including a 2020 kitchen remodel that feels more intentional than a standard builder package. The backyard was professionally designed and is one of the few private outdoor spaces in the community that has ample space + low maintenance. There are 3 levels with no one above or below giving it the feel of a SFH w/o the price or upkeep of one. The main floor gets wonderful natural light with an open living and dining layout and access to a private balcony. Upstairs features two full size bedrooms. The primary has its own bath and walk in closet and the 2nd has a full bath right across the hall. A side by side two car garage adds flexibility for storage, gym or office. The home backs to private green space which keeps it personal and serene. Quick access to 101 N/S + close to SFO. Neighborhood shuttle connects to BART and Caltrain. Units in this position rarely come up for sale and this one has never been on the market making it a standout opportunity for buyers who value placement + quality. Seller will pay 6 mos. of HOA dues.
